

Cognition AI

Employee Handbook — Internal Knowledge Document

Document Information

Document ID	CAI-HR-001
Version	1.0
Effective Date	1 September 2026
Document Owner	People Operations
Classification	Internal Use

1. About Cognition AI

Cognition AI is a fictional technology company used for an enterprise knowledge assistant demonstration. The company develops artificial intelligence software and business automation tools for organizations. This document contains synthetic internal policies and should be treated as sample enterprise data for testing a Retrieval-Augmented Generation (RAG) system.

2. Working Hours

The standard working schedule is Monday through Friday, from 9:00 AM to 6:00 PM. Employees receive a one-hour lunch break between 1:00 PM and 2:00 PM. Teams may adopt different schedules when business requirements or customer support coverage require it.

Employees working remotely are expected to remain reachable through the company's approved communication tools during their scheduled working hours. Any change to a regular work schedule should be discussed with the employee's manager in advance.

3. Leave Policy

Full-time employees receive 18 paid annual leave days per calendar year. Employees should normally submit planned leave requests at least five working days before the requested start date.

Employees receive 10 paid sick leave days per calendar year. For an absence of more than two consecutive working days, the employee may be asked to provide appropriate medical documentation.

Urgent or unexpected leave should be communicated to the employee's manager as soon as reasonably possible.

4. Information Security

Cognition AI employees must protect company information, customer information, source code, credentials, and other confidential material. Company credentials must not be shared with colleagues or external parties.

Employees must use multi-factor authentication for company accounts where it is available. Company data should only be stored in approved corporate systems. Sensitive company documents must not be uploaded to personal cloud storage or unapproved AI tools.

Security incidents, suspected phishing messages, lost company devices, or accidental disclosure of confidential information must be reported to the IT Security team immediately.

5. Remote Work

Employees may work remotely when their role and team requirements permit it. Remote employees are responsible for maintaining a suitable working environment and a reliable internet connection.

When working remotely, employees must use company-approved devices and security controls. Confidential information should not be discussed in public places where unauthorized individuals may overhear the conversation.

6. Travel and Expenses

Business travel must be approved by the employee's manager before bookings are made. Employees should select reasonable travel options that meet business requirements while controlling company costs.

Employees may claim eligible business expenses by submitting receipts through the approved expense system. Expense claims should normally be submitted within 15 calendar days after returning from a business trip.

7. Employee Benefits

Eligible full-time employees receive access to the company's health insurance program, subject to the terms of the applicable insurance plan. The company also provides an annual learning and development allowance of INR 20,000 per eligible employee for approved courses, certifications, conferences, and technical learning resources.

8. Code of Conduct

Employees are expected to communicate respectfully, protect confidential information, avoid conflicts of interest, and comply with applicable company policies. Harassment, discrimination, retaliation, deliberate misuse of company resources, and unauthorized disclosure of confidential information are not permitted.
